

## CAMPHILL COMMUNITIES ONTARIO WINS ACCREDITATION BY THE COUNCIL ON QUALITY AND LEADERSHIP!

FEW RECOGNITIONS MEAN SO MUCH as being awarded accreditation status with The Council on Quality and Leadership! There are easier paths to accreditation, training and certification. What sets CQL apart is the long-lasting impact their work has on applicant organizations, especially the people they support.

MICHAEL CLAUSEN, CQL CANADA LIASON, WRITES, "CQL commends Camphill Communities Ontario for its success in implementing best practices to improve the quality of life for the people it supports. We are pleased to partner with them in their ongoing efforts to provide dignity, community and opportunity for all people."

CAMPHILL COMMUNITIES ONTARIO HELPS THOSE ADULTS WITH COGNITIVE DIFFICULTIES attain and celebrate a better life. Their 200+ acre farm community near Angus and many homes in nearby Barrie work to house, educate and encourage people, and their families, who otherwise would not receive help here in Simcoe. Through workshops in woodworking, pottery, weaving and natural farming, those in need succeed in gathering awareness of how to thrive in the real world. Job training and job placement are natural inclusions within Camphill's broad range of services.

AS YOU CAN SEE, appreciative Camphill Staff and companions celebrate this recognition not only because it awards the highest praise to the charity; it helps to provide community awareness and underscores the innovative services Camphill offers to those in need.
